

STEPS TO DECIDING WHAT WILL WORK BEST FOR YOU:

- Determine what you'd like out of your toothpaste.
- 2. Read the active/inactive ingredients.
- 3. Pick the toothpaste that will most benefit your desired outcome.

By: Megan Walbauer.

COMMON PURPOSES FOR TOOTHPASTE

- Reduce Risk of Cavities¹
- Whitening¹
- Reduce gingivitis & inflammation ¹
- Reduce tooth sensitivity 1
- Anti-bacterial ¹

COMMON ACTIVE/INACTIVE INGREDIENTS & THE USES

- Stannous Flouride: Reduce risk of cavities, reduce plaque retention, & risk of gingivitis-may cause tooth staining.^{1, 12, 18}
- Sodium Fluoride: Acid resistance & added protection. 14
- Potassium Nitrate: Desensitization, reduce pain, & calm Nerve pain.⁶
- Calcium Sodium Phosphosilicate: (Novamin) Creates buffer for cavities, & assist in remineralization. 16, 15
- Hydrated Silica: Is abrasive, disrupts surface stain, & creates a whiter appearance.^{5, 18}
- Sodium Monoflourophosphate: Helps reduce inflammation, hypersensitivity, resistance to cavities, & strengthens teeth. 4

CHOOSING A TOOTH PASTE:

Prevident 5000 enamel protect: 7

- Flavours are spearmint & fruitastic in 100ml bottles.
- indicated for use or cavity prevention, sensitive teeth.
- Benefits: strengths teeth, protects against acid, remineralizes teeth, sensitivity relief.
- Can be used in areas with water fluoridation
- Active ingredients: Sodium fluoride 1.1% (w/w), Potassium nitrate 5%
- Warnings: Do not swallow, or use when pregnant or nursing, or under 12 years old unless indicated.

Sensodyne Repair & Protect: 15, 16

- builds layer of protection over teeth
- relief from sensitivity and long lasting protection
- For use of adults and children over 12
- Contains Novamin
- Active ingredients: Calcium sodium phosphosilicate (NOVAMIN) 5.0% w/w, sodium fluoride (0.2299%w/w) (fluoride 0.104% w/w)
- warnings: do not swallow, and do not use more than 3x a day.

Colgate Perio-guard Gum Care ²

- Helps fight gum disease, reduce bleeding and inflammation
- prevention of bacteria that causes gum disease
- brush after each meal, atleast 2x a day
- clinically proven for healthier gums, prevent plaque, long lasting anti bacterial.
- Active ingredient: Active ingredient: Stannous Flouride 0.454%
- Warnings: not for use of extreme gum swelling, or children under 2

Colgate Total: 3

- Anticavity, Antisensativity, and Anti gum disease
- Helps strenghten enamel, reduce plaque, and reduce bacteria in the mouth
- for use of 12 and older, 2x a day
- Active ingredients: Active ingredients: Hydrated silica 5.0% (w/w), Sodium fluoride 0.32% (w/w), Zinc 0.96 % (w/w)
- Warnings: do not swallow, or use under 12 years old

CHOOSING A TOOTH PASTE:

Crest Pro-health Clean Mint: 10, 12

- Anticavity, reduces risk of gum disease, protection from sensitivity
- removes surface stains, adds protection from heat, cold, sweets & acids.
- Active ingredients: Stannous fluoride 0.454% (0.14% w/v fluoride ion)
- warning: when using for sensativity do not use longer than 4 weeks, not for use of children under 12, do not swallow.

Crest 3D White Radiant Mint: 8

- Brightens smile, and removes up to 80% of surface stains,
- Protection from future stains, strengthens teeth, and anti cavity
- Active ingredients: Sodium fluoride 0.234% (0.15% w/v floruide ion)
- inactive ingredients: Hydrates silica
